## Product description

Make your work easier with the easy handling of WAGO terminals with PUSH WIRE® technology.

- housing color: clear
- max. continuous use temperature: +105 °C
- max. ambient temperature: +60 °C
- stripping length: 11 mm
- rated voltage in grounded networks: 450 V
- rated impulse voltage in grounded networks: 4 kV
- rated electricity: 24 A
- connection technology: PUSH WIRE®

## Product properties

|  |                           |
|--|---------------------------|
| <b>AWG</b>                                 | 18 - 14                   |
| <b>Lid colour</b>                          | red                       |
| <b>Width</b>                               | 18 mm                     |
| <b>Cross-sectional area mm<sup>2</sup></b> | 0,5 - 2,5 mm <sup>2</sup> |
| <b>Height</b>                              | 5,8 mm                    |
| <b>Type of packaging</b>                   | 1000                      |
| <b>Connection technology</b>               | PUSH-WIRE                 |
| <b>Conductor terminal</b>                  | 4                         |
| <b>Depth</b>                               | 16,7 mm                   |
