Product description

Ergonomics, strength and security. Piece-checked with 10.000 V in the water bath, and thus certified for work under voltage up to 1.000 V.

- The curved longitudinal outline of the ergonomic handles enables high application forces
- The proved triangle shape corresponds exactly to the ideal turning angle of the hand (120°)
- Good handling due to soft component on the edges
- Fast turning zone from soft material makes working comfortable and safe
- Insulated blades

Product properties

Screw head size	M 8
Type of packaging	1
Screw profile diameter	8 mm
Blade length	150 mm
Screwdriver type	Torx screwdriver
Screw profile	T 40 mm
Handle length	127 x 39 mm
