Product description

- DIN 46245, part 1 - 3 and similar
- double crimp
- insulation: PVC
- temperature range: -10 °C up to +70 °C

Product properties

Material thickness	0,5 mm
Temperature resistant	-10 °C – 70 °C
Nominal cross section	> 2,5 - 6 mm ²
Insulation material	PVC
Colour	yellow
l1	12 mm
Version	with metallic insulation support
l	28,6 mm
Terminal Width	9,5 mm
Material	Brass
Nominal size	6 mm ²
Type of packaging	500
a2	13 mm
Terminal Thickness	1,2 mm
