Product description

- protection spec.: IP 65 front-sided
- temperature resistance: -25 °C up to +70 °C
- switch material: polycarbonate

Product properties

Temperature resistant -25 °C – 70 °C

Pole 4

Type of packaging 1

Operating performance 3,0 (@AC-3 230 V) kW, 7,5 (@AC-23 415V) kW, 5,5 (@AC-3 400 V) kW

Utilization category AC-23 , AC-21A , AC-3

Protection spec. IP 65 front

Switch material Polycarbonate

Rated current 25,0 (@ AC-21 A) A

Version without housing
