Male Push on Terminals to solder, 1 - 2,5 mm², 1000 pcs. | 1000

Illustrations are for reference only. Technical specifications may vary and are subject to change without notice.

Product number 12523.123.211
Weight 0.618kg

Product description

- non insulated
- for soldering into printed circuits
- dimension acc. to DIN 46244
- material: brass
- surface: fire-tinned (VZ)

Product properties

Terminal Thickness	0,8 mm
l3	4 mm
b2	5 mm
Terminal Width	6,3 mm
Material thickness	0,8 mm
l2	8,0 mm
Version	without insulation , for soldering
l1	16,5 mm
Design	C
Type of packaging	1000
b1	3,5 mm
Material	Brass
