

HP VENT-LINE cable gland, polyamide, grey, M 20 x 1,5 PA | black

Ventline Kabelverschraubung Polyamid

Product number 57020

Weight 0.016kg

Illustrations are for reference only. Technical specifications may vary and are subject to change without notice.

Product description

- material cable gland: polyamide
- seal: EPDM
- membrane: ePTFE
- protection class: IP 68 to 0,6 bar (to EN 60 529)
- temperature range: -40 °C to +100 °C, temporarily up to approx. +120 °C

Product properties

SW	24 mm
Colour	black
Sealing insert material	EPDM
Protection spec.	IP 68
Type of packaging	1
min. - max. cable diameter	6 - 13 mm
TL	41 - 50 mm
Temperature resistant	-40 °C – 100 °C
Material	Polyamide
Thread type	metric
E1	27 mm
Thread (AG)	M 20 x 1,5
I	10 mm
