Product description

- protection spec.: IP 65 frontsided
- temperature resistance: -25 °C up to +70 °C
- switch material: polycarbonate

Product properties

Temperature resistant	-25 °C – 70 °C
Operating performance	11,0 (@AC-3 400 V) kW, 7,5 (@AC-3 230 V) kW, 15,0 (@AC-23 415V) kW
Pole	4
Type of packaging	1
Utilization category	AC-23 , AC-21A , AC-3
Rated current	40,0 (@ AC-21 A) A
Protection spec.	IP 65 front
Switch material	Polycarbonate
Version	without housing
