

# HP-SWITCH® Front mounting, 4 poles

ohne Gehäuse

**Product number** 4P40A-E

**Weight** 0.349kg

Illustrations are for reference only. Technical specifications may vary and are subject to change without notice.

## Product description

- protection spec.: IP 65 front-sided
- temperature resistance: -25 °C up to +70 °C
- switch material: polycarbonate

## Product properties

**Temperature resistant** -25 °C – 70 °C

**Operating performance** 11,0 (@AC-3 400 V) kW, 7,5 (@AC-3 230 V) kW, 15,0 (@AC-23 415V) kW

**Pole** 4

**Type of packaging** 1

**Utilization category** AC-23 , AC-21A , AC-3

**Rated current** 40,0 (@ AC-21 A) A

**Protection spec.** IP 65 front

**Switch material** Polycarbonate

**Version** without housing
