Product description

- material: polypropylen, thermoplastic elastomer
- protection spec.: up to IP 66
- temperature resistance: -30 °C up to +80 °C, short time up to +100 °C
- zero halogen

Product properties

Version	with membrane , Screwable
Type of packaging	100
Cable diameter	≤ 13 mm
Material	Polypropylene
Colour	grade (RAL 7035)
Protection spec.	IP 66
I1	15 mm
M	M 20 x 1,5 mm
Thread type	metric
Temperature resistant	-30 °C – 80 °C
I2	9 mm
D	24 mm
SW	20 mm
material properties	halogen-free
Nominal size	M 20
e	22 mm
