HIL-QUICK® Solderless Pin Terminal, insulated, PVC unbrazed, 1,0 red, 22,0 mm long, 1000 pcs. | 1000

Illustrations are for reference only. Technical specifications may vary and are subject to change without notice.

Product number	10100 TF
Weight	0.845kg

Product description

- acc. to DIN 46231 and similar
- with flared insulation
- suitable for harmonized wires
- insulation: PVC unbrazed
- temperatur range: -10 °C up to +70 °C

Product properties

d3	1,9 mm
Nominal size	1 DIN
a2	10 mm
Colour	red
a1	5 mm
Material thickness	0,8 mm
Insulation material	PVC
Nominal cross section	0,5 - 1,5 mm²
Type of packaging	1000
d4	4 mm
l	22 mm
Version	unsoldered
