## Product description

Highly flexible halogen-free monofilament braided hose made of polyester for bundling and for mechanical protection of cables and lines. Its woven structure is light-weight and offers permanent protection. It is ideally suited for uneven forms and is easy to mount. The hose can be easily cut using a thermo-cutter.

- continuous operating temperature: -50 °C to +150 °C
- material: Polyester
- zero halogen

## Product properties

|                              |                 |
|------------------------------|-----------------|
| <b>Type of packaging</b>     | 100             |
| <b>Colour</b>                | black           |
| <b>Material</b>              | Polyester       |
| <b>Nominal size</b>          | 6               |
